Homestead Exemption & Voter Registration

To receive the benefit of the homestead tax exemption a taxpayer must qualify on or before January 1st and must make an application with the Property Appraiser on or before **March 1st** of the year in which the benefit is first requested. It is important to remember that the homestead exemption benefit **does not automatically transfer** to a new residence. In accordance with State law, a new application is required if you move or if you change the manner in which title is held on your existing homestead. To file application for Homestead Exemption, take your record Warranty Deed and proof of FL residency (FL driver's license, voter's registration or vehicle registration) to one of the following Tax Collectors Offices:
