WELCOME TO KENNEDY SPACE CENTER VISITOR COMPLEX

This is where NASA made history and where it's still being made. This is where humankind first left Earth to explore the heavens. This is where the future of space exploration launches, and where you can experience the wonders of space like nowhere else in the universe. Only here can you touch a moon rock, walk under the largest rocket ever flown, meet an actual astronaut, and glimpse the future of space exploration.

Visitor Complex admission gives you thousands of things to do: check out real launch pads, stand next to Space Shuttle Atlantis, get briefed on what NASA is doing now to prepare for the future. For an additional cost, you can personalize your visit with guided tours and special activities. One visit to Kennedy Space Center Visitor Complex will inspire you forever.

SPACE SHUTTLE ATLANTISSM HOME

HIGHLIGHTS

1. Shuttle Launch Experience®
2. Astronaut Training Simulators
3. Life Aboard the International Space Station

Meet a legend, nose to nose.

Stand nose to nose with an American icon as she's never been seen before. View this national treasure as she floats gracefully in midair with every scar and scratch from her 126 million miles of space travel exposed. It's a once-in-a-lifetime experience that will take your breath away.

Your tour immerses you in true-to-life spaceflight experiences with more than 60 exciting, educational touch-screen exhibits and space-age simulators. Marvel at the breathtaking story of the Hubble Space Telescope, experience life in space inside the International Space Station, and be awestruck by the power of Shuttle Launch Experience®.

APOLLO/SATURN V CENTER

1. Touch a Moon Rock

2. Saturn V Rocket

3. Apollo Treasures Gallery

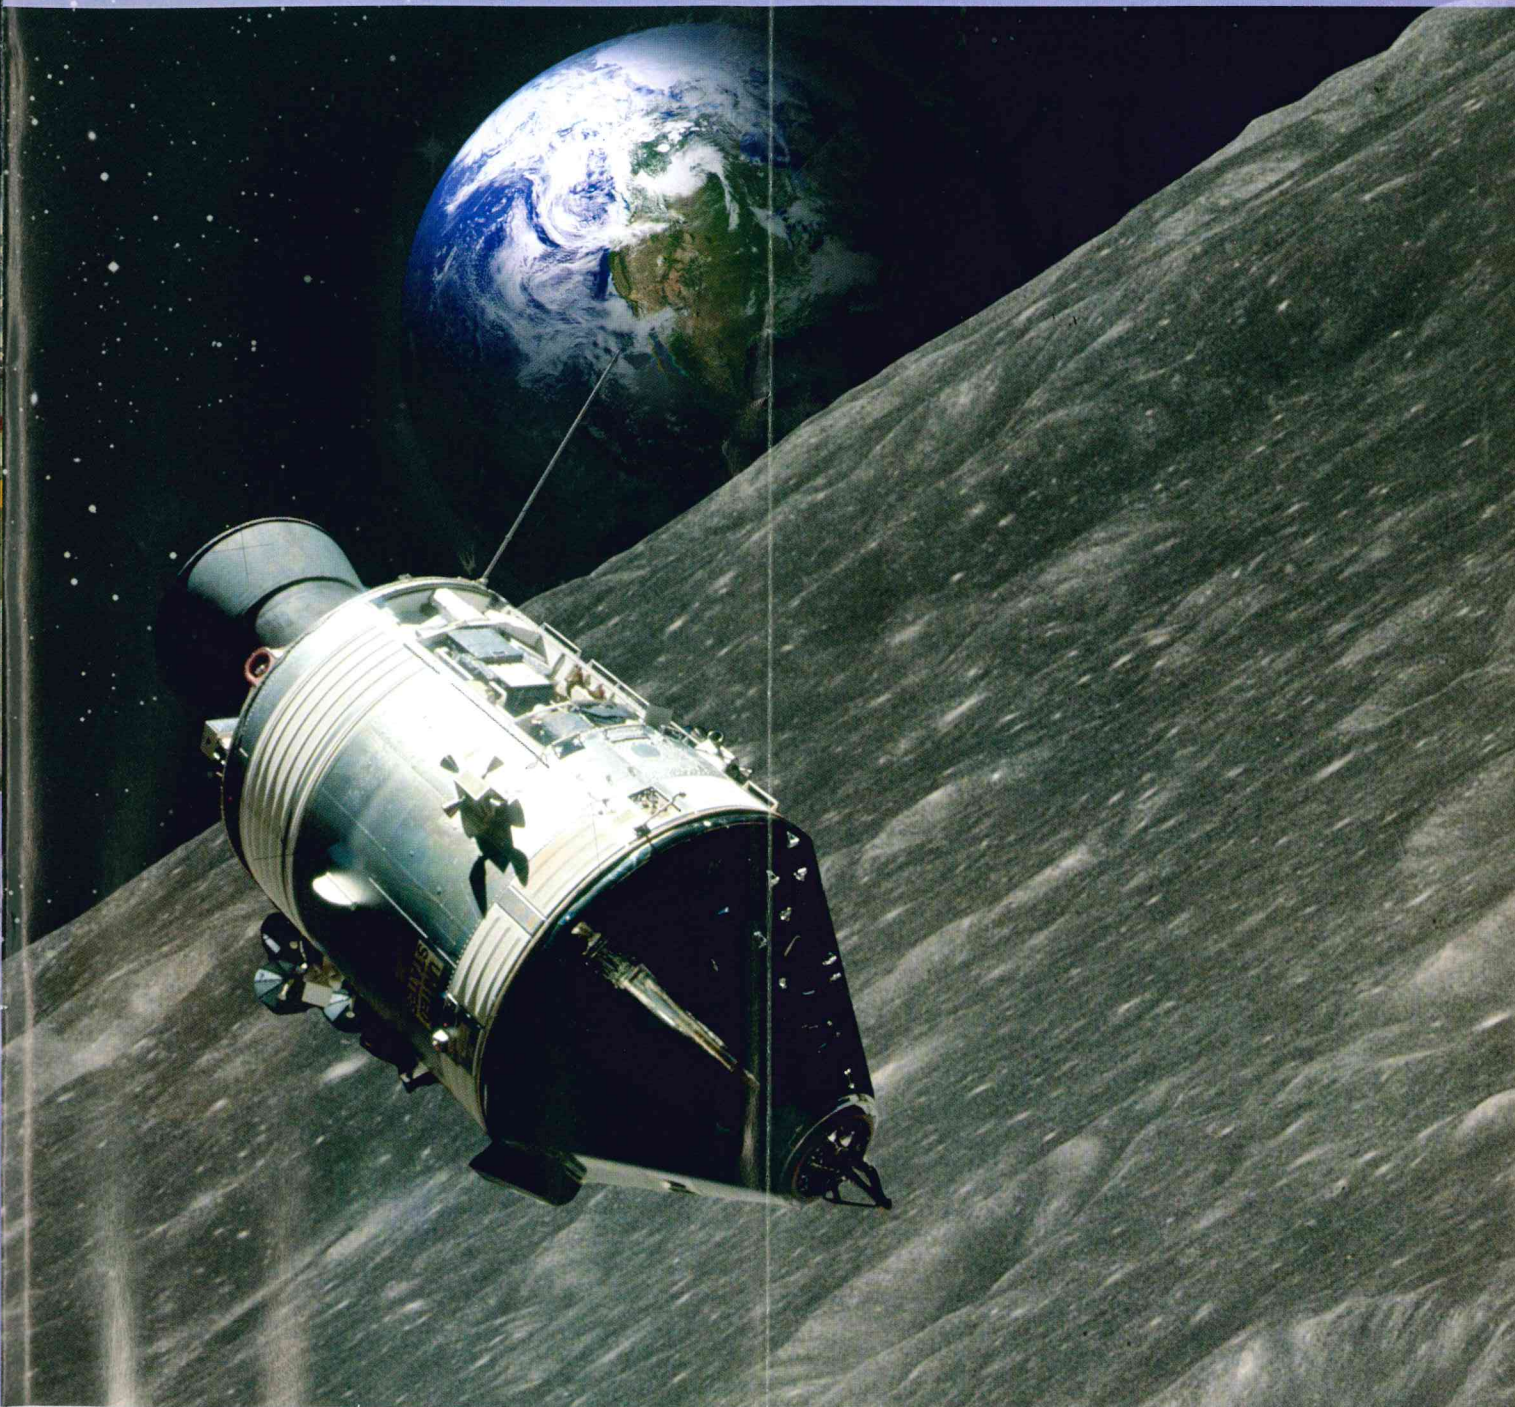

Touch the Moon – literally.

This is where it all began. On July 20, 1969, millions of people all over the world held their breath while a single man put his foot on the Moon's surface. Recapture the wonder and excitement of that day with a visit to the Apollo/Saturn V Center. Reach out and touch a moon rock, view actual moon dust on Alan Shepard's lunar suit, see Jim Lovell's Apollo 13 flight suit, and feel the space race come alive as you stand beneath the largest rocket ever flown – the mighty Saturn V.

The bus tour is a must.

Free with your Visitor Complex admission, the KSC Bus Tour is the only way to get a glimpse of the entire Kennedy Space Center property. The tour departs every 15 minutes, bringing guests to the Apollo/Saturn V Center with a drive-by of an operational launch pad and the Vehicle Assembly Building.

3D IMAX® THEATER

IMAX HUBBLE 3D

NARRATED BY LEONARDO DICAPRIO

JOURNEY TO SPACE 3D

Two incredible, five-story 3D presentations tell stories certain to inspire. One explores the breathtaking images captured by the Hubble Space Telescope, and the other details projects that NASA is currently working on, like sending astronauts to Mars. Narrated by Leonardo DiCaprio and Sir Patrick Stewart, respectively, these films will send you into orbit without ever leaving your seat.

Both 3D presentations are included with admission. Movies and schedules are subject to change. Check TourKSC.com for updates.

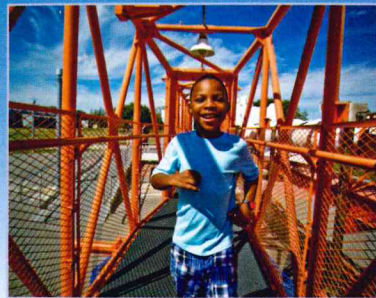

ASTRONAUT ENCOUNTER

Out of the billions of people on Earth, only a few hundred men and women have ever flown in space. Meet a veteran astronaut from NASA's famous Astronaut Corps at Astronaut Encounter. Each encounter offers time for discussion, so bring your questions – and your camera. Hear mission status updates and other special presentations in this theater.

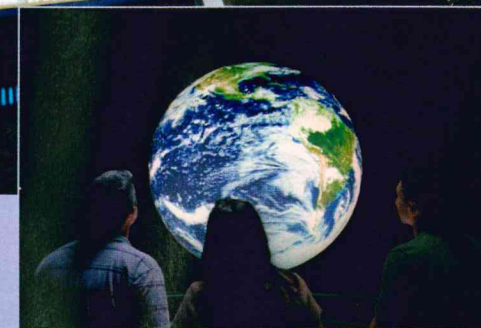

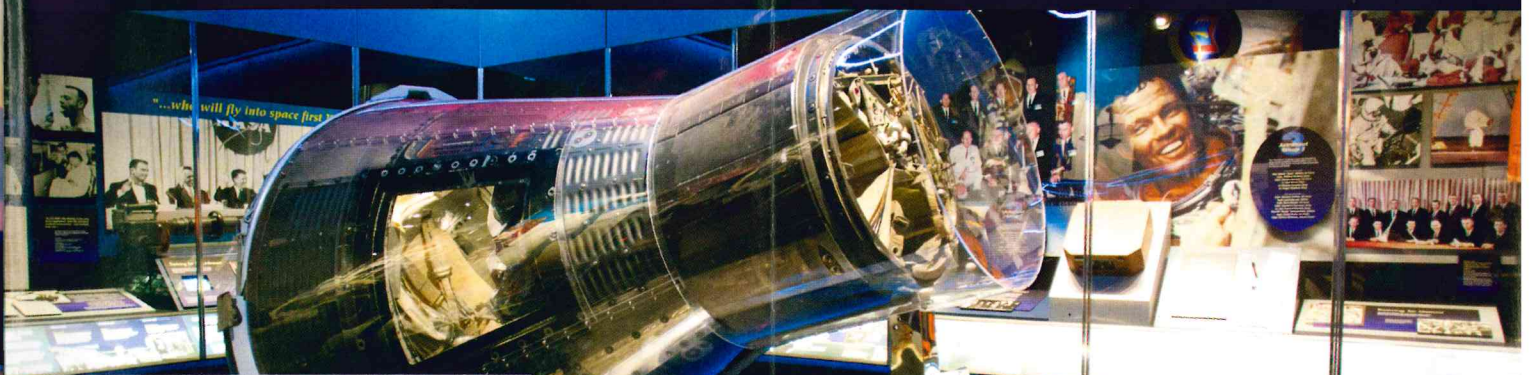

THE ROCKET GARDEN

Capture the thrill of early spaceflight while surrounded by the actual rockets of the Mercury, Gemini and Apollo programs.

ROCKET LAUNCHES

Get a front-row seat to one of the many rocket launches happening regularly at Kennedy Space Center. Call to see if one is scheduled during your visit.

U.S. ASTRONAUT HALL OF FAME®

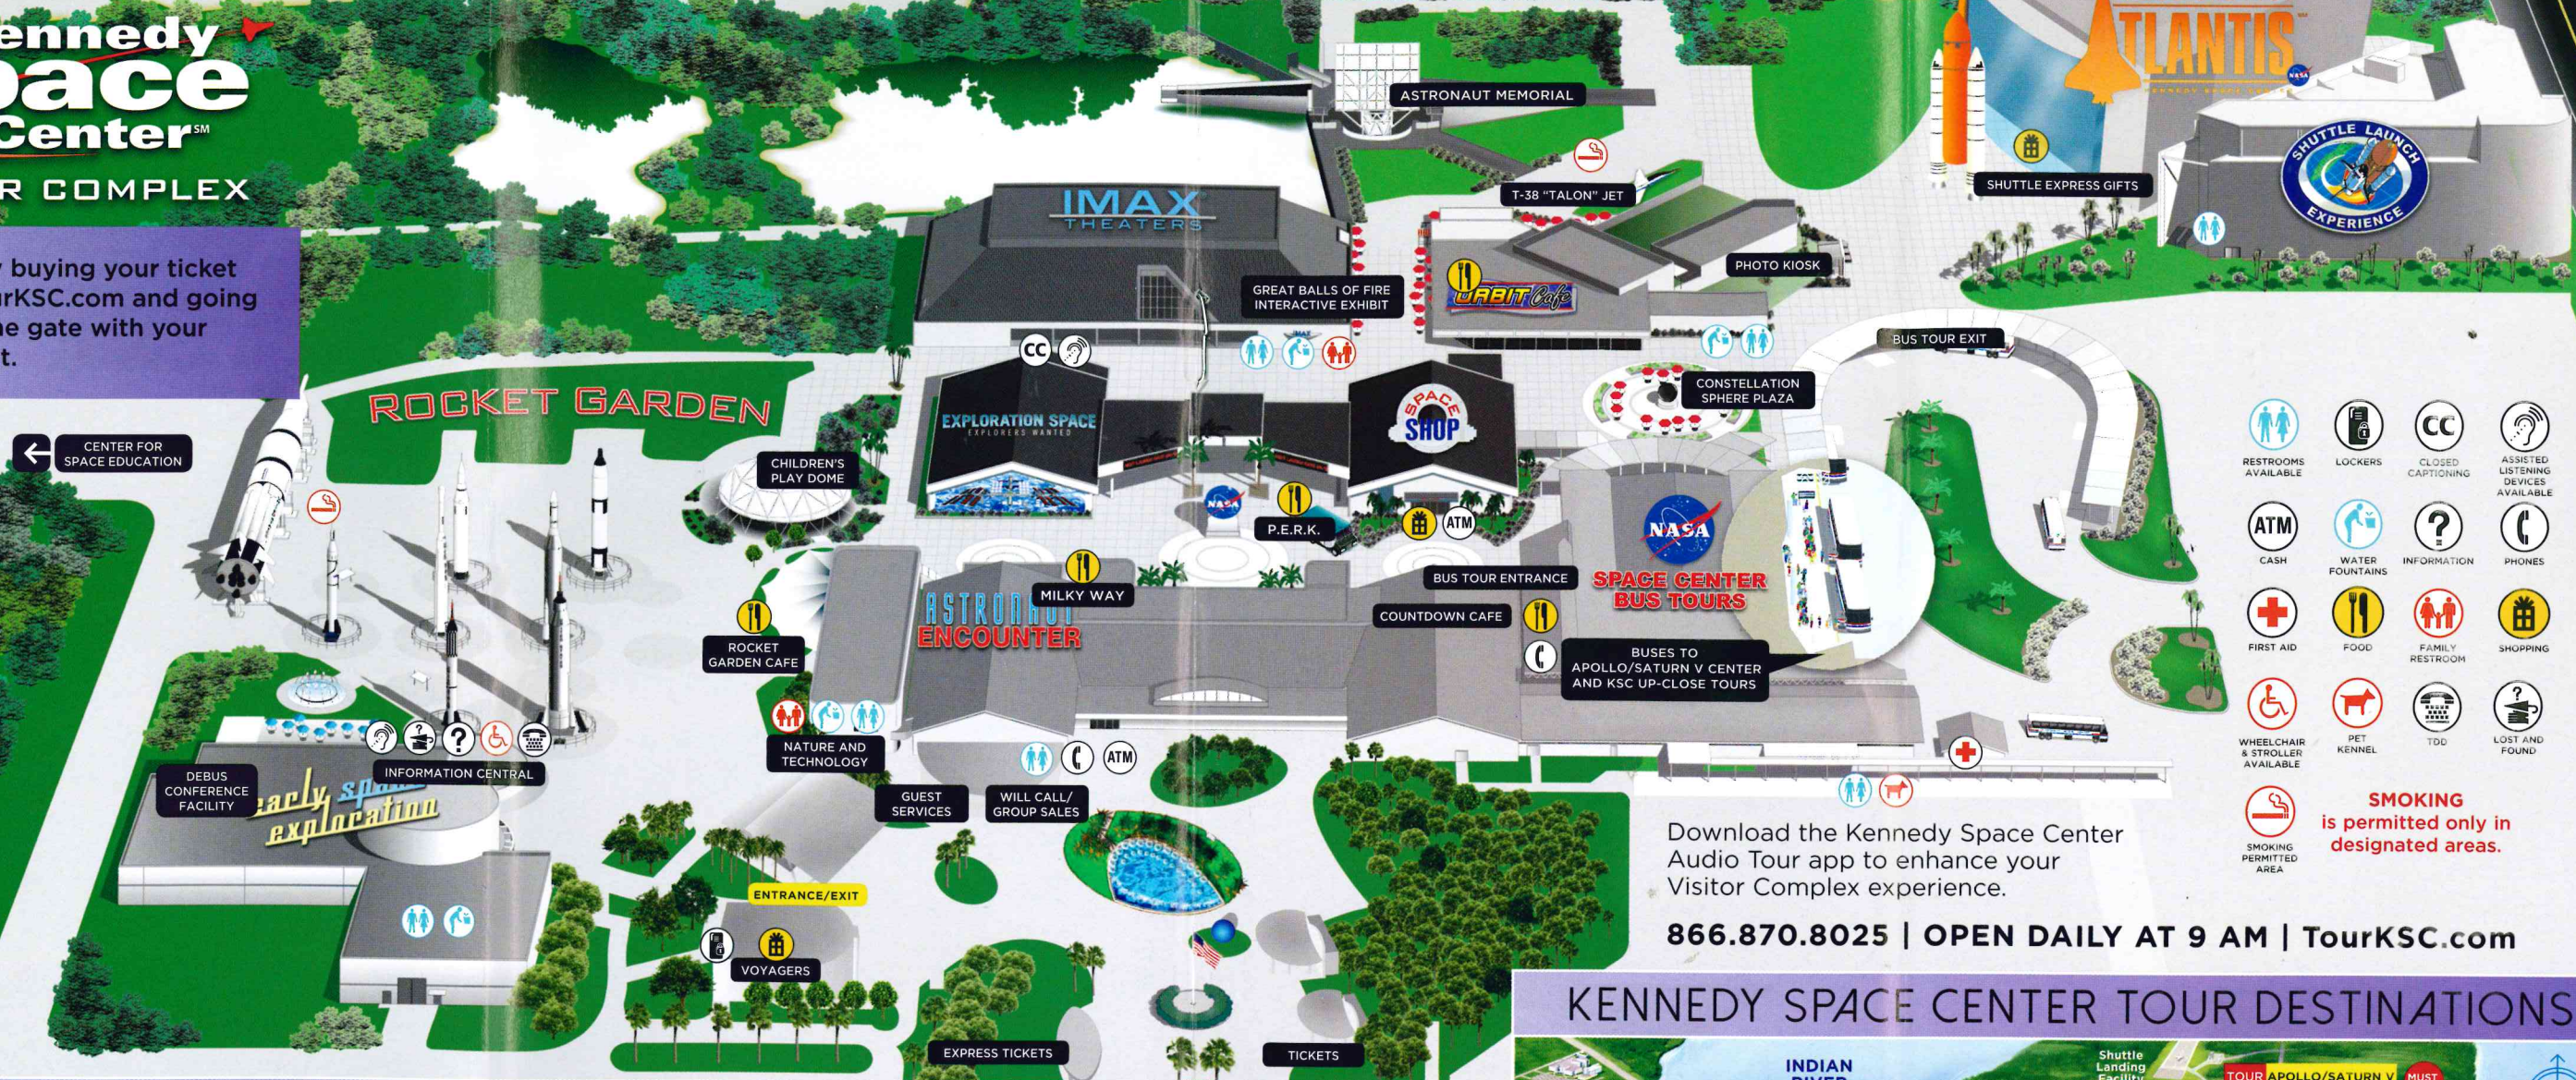

Meet the American heroes who have stretched our understanding of the universe and pushed our human potential to the limit. Come celebrate their achievements and hear their personal stories as you view the **LARGEST** collection of astronaut memorabilia ever assembled.

Located six miles from Kennedy Space Center Visitor Complex, this is included in admission.
